MIKE MAHER

Hello, thanks for checking out my music!

I'm a singer-songwriter from Milwaukee. Some of my favorite artists are James Taylor, Paul Simon, Eric Clapton, Billy Joel, The Eagles, Chicago, Van Morrison, The Beatles, and Stevie Wonder. I've been playing piano since I was four years old, guitar since I was 12, and have been singing my whole life. I either perform solo or in a small band my friends who play saxophone, bass, and drums. I sing and play guitar and piano.

I studied music at St. Norbert College, and I have been performing at festivals, clubs, private events, coffee shops, and independent radio stations across the Midwest since 2006.

When I'm not playing music, I enjoy Wisconsin's biking trails, watersports, and our rich tradition of craft beers and independent wineries. I'm in love with the rolling hills of the Driftless region and the crisp breeze off the waves of Lake Michigan.

Please check out my original songs and my covered demos on [Soundcloud](#).

-Mike

MIKE MAHER

▲ The Mike Maher Band

Friday 5/6, Great Dane, Wausau

Originating at St. Norbert College in Green Bay, this six-piece band combines tons of genres like blues, jazz and pop. Mike is the lead vocalist and keyboardist, and original songs like "Fine Without You" and "Kiss You Goodbye" have poppy lyrics, while Regan Schmidt on sax adds a jazzy feel. Along with the band's own music, it also covers favorites like Maroon 5 and Coldplay hits. The band also names Stevie Wonder, Earth Wind & Fire and Red Hot Chili Peppers as some of their influences, which means that there's something for everyone. 9 pm.
